

## **Research Computing Facilities for RPg Students**

The Information Technology Services (ITS) of HKU is pleased to present the research computing facilities available for the RPg students.

Date : May 26, 2017 (Friday)

Time : 12:45 – 1:45 pm

Venue : P501, Graduate House

Speaker : Mr. KWAN Wing Keung, Assistant IT Director, Research Computing Services, ITS

HKU is well recognized internationally as a leading university with notable achievements in knowledge discovery and exchange through cutting-edge research. In this session, Mr. Kwan will talk about what HKU provides to create a conducive computing environment to support the RPg students in their research. He will introduce the High Performance Computing (HPC) / High Throughput Computing (HTC) facilities offered by the ITS, highlighting the China and international research computing collaborative consortiums that the ITS has been participating. Mr. Kwan will also discuss with students the use of relevant software in their research.

Online registration at EMS for RPg students:
