

Dialogues between Veteran and Aspiring Researchers

The Graduate School is pleased to offer opportunities for informal interactions between postgraduate students and visiting scholars. Through these exchanges, prominent researchers will share their immense experience and insights in becoming successful academics and beyond, and students are encouraged to ask questions on how to better prepare a career in academia or an alternative career path.

Here are the details of the coming session:

Professor Weicai Yang

Director, Institute of Genetics & Developmental Biology
Chinese Academy of Sciences, PRC

http://sourcedb.cas.cn/sourcedb_genetics_cas/yw/zjrc/db/200907/t20090721_2130949.html

Director, State Key Laboratory of Molecular Developmental Biology
<http://english.genetics.cas.cn/zdsys/LDB/>

As Director of the Institute of Genetics and Developmental Biology, Chinese Academy of Sciences, one of the top institutions in life sciences in China, Professor Yang, whose research focuses on plant reproduction, will discuss current developments in life science research and the essential qualities for leading a successful academic career in life sciences. He will also share his career experiences over the years across Europe, the USA and Asia.

Date & Time:

November 16, 2017, Thursday, 12:30 pm to 1:30 pm

Venue:

Seminar Room 7, LG/F, Laboratory Block, LKS Faculty of Medicine, HKU, Sassoon Road
