

Dialogues between Veteran and Aspiring Researchers: Building a career in an increasingly knowledge-intensive world

The Graduate School is pleased to offer opportunities for informal interactions between postgraduate students and visiting professors. Through these exchanges, prominent researchers will share their immense experience and insights in becoming successful academics and beyond, and students are encouraged to ask questions about how to be better prepared for a career in academia or an alternative academic path.

Please find below the details of the coming session:

Professor Edward Hak-Sing Ip

Professor, Biostatistics and Data Science
Department of Biostatistics & Data Science
Department of Social Sciences & Health Policy
Translational Science Institute
Wake Forest School of Medicine
